SMYLIFT DENTAL

Smylift Dental

Smylift Dental is a trusted dental care center founded by Dr. Hashita Goswami-Dongre, MDS (Endodontist & Aesthetic Dentist), dedicated to delivering ethical, precise, and compassionate dental care.

Introduction

Smylift Dental is a trusted dental care center founded by Dr. Hashita Goswami-Dongre, MDS (Endodontist & Aesthetic Dentist), dedicated to delivering ethical, precise, and compassionate dental care. With specialist doctors, AI-powered diagnostics, and advanced dental technology, the clinic offers comprehensive treatments including painless root canals, dental implants, smile design, invisible braces, and full-mouth rehabilitation. Serving patients across Thane, Mumbai, and Navi Mumbai, Smylift Dental focuses on transparency, comfort, and long-term oral health. Every treatment is designed to restore healthy smiles, build confidence, and provide patients with a reassuring and personalized dental experience.
